***HAPPY HOLIDAYS FROM ALL OF US AT  
SPEAK UP FOR HORSES***

## **Just in time for the Holidays: We are giving Hope a chance**

This sweet 8 months old filly has many problems which we are addressing with the help of our vet and our farrier. It will be a long and tasking road, but Hope is incredibly calm and accepting of all the fuss we are making. An initial trim of her overgrown hooves and x-rays detecting a small fracture in one of her hind legs, we are determined to give it all we can. She is receiving the best nutrition money can buy to help her regain

her strength and become healthy again.

Hope is hopeful you will help us in our mission with a tax deductible donation.

**Will you please consider a gift for Hope**

## Thanks to *your* recent donation

we've been able to keep our hay barn filled and hope you will help us continue to do so. Our horses have different nutritional needs and the very best alfalfa hay is what we use for our rehabilitation cases in addition to the best of quality feed. **Thank you so very much!!!!**

## ASPCA Training Grant

The ASPCA training grant we received for 2015, helped us send 3 thoroughbreds to our trainer and they promptly found homes.

With many horses coming to us without much handling or training, we are dependent on grants and private donations.

Currently in training and preparing for a new life are Chester, Salina, Holly and Jack.

You can follow their progress on our Facebook page.

## We Have Decked The Stalls Of Our Horses With Their Own Stockings
